Harold Weisburg.

I glory you in
trying to dig up
the truth on the J.F.K.
~~assanitation~~
assassination. Mr Warren
of California is or was on
the Supreme Court. He
gathered some inform-
on the affair and has
it sealed for 70 years.
This should be dug in to
so the public knew
what is! 70 years from now
nobody would care to
know. If you could read
the secret you would
find what you want.

Thank You

Harold Weisberg
